

Dear friend and associate of Marlborough RDA

As a valued member of Marlborough RDA, I felt it timely as the Manager to write to assure you that we are taking all precautions necessary to protect our riders, volunteers, staff and people against COVID-19.

We aim to continue running our programmes as usual as long as we can. We need your help to do this.

If you are experiencing any COVID-19 or flu-like symptoms or have returned from overseas in the last 14 days, we ask that you delay your visit to us and instead call or email us.

If you have any concern at all about your health or attending an RDA programme please do not attend and instead call or email us to let us know.

Phone: (03) 578 3051
